Auditor's responsibility

Our responsibility is to express an opinion, based on our audit, to the Annual General Meeting as to whether the guidelines have been complied with. We conducted our audit in accordance with FAR's standard RevR 8 *Audit of Remuneration to Senior Executives in Listed Companies*. This standard requires that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the guidelines have, in all material aspects, been complied with. The firm applies International Standard on Quality Management 1, which requires the firm to design, implement and operate a system of quality management including policies or procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

We are independent of BICO Group AB (publ) in accordance with professional ethics for accountants in Sweden and have otherwise fulfilled our ethical responsibilities in accordance with these requirements

Our audit has included a review of the organization for and the documentation supporting the remuneration to senior executives as well as new decisions related to compliance with the guidelines. Our procedures have also included testing a sample of payments during the year to senior executives. The procedures selected depend on the auditor's judgment, including the assessment of the risks of whether the guidelines have not, in all material aspects, been complied with. In making those risk assessments, the auditor considers internal control relevant to the compliance of the guidelines in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.

We believe that our audit procedures provide a reasonable basis for our opinion, as set out below.

In our opinion, the Board of Directors and the managing director of BICO Group (publ) have, during the financial year 2022 complied with the guidelines for remuneration to senior executives which were approved by the Annual General Meeting on 26th of April 2021. Without affecting our opinion, we want to draw the attention to the disclosure about discretionary compensation to the former CFO, which is found in note 6 in the annual report for the fiscal year ended December 31, 2022.
